## TAUGHT BY KATIE DUNDAS

Katie has been writing original music for 11 years. Her music blends ambient instrumentation, influences of today's pop hits, and the "tug-on-your-heartstrings" chords of hymns she was raised on. Katie has played on well-known stages such as Warehouse Live and The House of Blues. In her spare time she volunteers for Musicians on Call, an organization that brings live music to the bedsides of patients in healthcare facilities. Katie has released 3 singles and has been featured on KTCU Radio and The World of Texas Music Podcast. Check out her latest single "Mirror" available on all streaming platforms!
